CHANGING ROOMS

Changing rooms for a quick change of clothes are available to guests near the reception.

COLD SHOWERS

We offer two points with cold fresh water showers one by the pool area, one by the entrance to the sea, in front of the lounge bar.

RELAX AREAS

Shaded common spaces with sitting areas and tables guarantee a cool refuge on the hottest hours, giving pleasant moments of relax, which can also be dedicated to reading.

WI-FI NETWORK

A free wi-fi connection is available to our guests to guarantee them a widespread navigation in every part of the structure. Our wi-fi allows up to 510 devices connected simultaneously. Ask at the bar or reception for the password.

CONTINUOUS CLEANING OF COMMON AREAS

We take great care of the order and cleanliness of all environments. This is why, the showers, toilets, changing rooms and all common services are cleaned and disinfected several times and constantly during the day.

RECYCLING

Different ecological islands and containers for separate waste collection are positioned in different points of the facility. The colors and signs will show you how to properly dispose the various waste. Help us make a correct contribution!

FIRST AID AND RESCUE

The bathing establishment is equipped with an infirmary point behind the reception, staff with a rescue certificate and BLS certificate and sighting towers, in accordance with the measures of the competent maritime authorities and current legislation. The qualified employees, easily identifiable, constantly monitor the water space in front of the cliff and the swimming pool, and has all the equipment to carry out reports in the event of adverse weather and sea conditions and intervention tools in the event of an emergency.
